Questions/ Cancellations/ Withdrawals/ GST

Register ASAP!

We value your participation in our programs and want to ensure a positive experience for all. Unforeseen circumstances can sometimes result in program cancellations; in order to prevent any disappointment, we highly encourage registering as soon as possible.

Decisions regarding program viability are made one week prior to the scheduled start date. Your prompt registration plays a crucial role in the overall success of the program. Please be aware that each program must meet a minimum registration threshold to proceed.

In the event of a cancellation, participants will receive a full refund, and we commit to providing a minimum of seven days' notice.

Withdrawing From a Program?

We aim to streamline and provide you flexibility within our withdrawal process to further assist you. Here's a breakdown of our withdrawal policy:

Transfer Without Fees: If space is available, you can seamlessly transfer to another course without incurring an administration fee.

Early Notice (Seven or More Days Before): No penalty will be assessed if the withdrawal request is made seven or more days before the class starts. Funds will be credited to your account for future use with the City.

Short Notice (Less Than Seven Days):

If the request is within seven days of the class start, a \$5 administrative fee will apply, and the remaining funds will be credited to your account for future use with the City.

Post-Start Date (Up to the End of the Second Class): After the course has begun, a \$10 administrative fee will apply, and a prorated credit will be issued to your account until the end of the second class. No funds will be returned after the second class.

Medical Withdrawal: In case of withdrawal for medical reasons, the fee is waived with a provided doctor's note. A refund will be issued upon request.

Leadership Program Withdrawal Policy at Harbour Pool

Considering withdrawing from our Leadership Program at Harbour Pool? Here's a breakdown of our withdrawal policy:

Early Notice (Seven or More Days Before): If the withdrawal request is made seven or more days before the class starts, a \$10 administrative fee will apply. Funds will be returned in the same form in which they were paid or placed as a credit on the account for future use with the City.

Short Notice (Less Than Seven Days): If less than seven days' notice is given, no funds will be returned. This policy is in place because we require a minimum registration for these programs to run, and the decision to run the program is made one week prior to the course start date.

We appreciate your understanding and cooperation with our withdrawal process, and we aim to provide clear and fair guidelines for all participants in our Leadership Program at Harbour Pool.

Are you registered in the correct swim level?

To ensure accuracy, Harbour Pool staff will verify pre-registered courses and confirm your swim level. Prior to the first day of lessons, our staff will reach out to confirm your lesson history. If you are registered in the incorrect level, you will be withdrawn from the current level and offered the appropriate one if available.

If you find yourself uncertain about which level to register for, don't hesitate to reach out to our Customer Service team at 780-992-6162 for guidance. We're here to help you make the most informed registration decisions for an enjoyable and successful swimming experience.

Membership Information

The Fort Leisure Card is valid for use at the Dow Centennial Centre and/or Harbour Pool, with access determined by the type of pass purchased. Please note the Fort Leisure Card is non-transferable.

Refunds and Credits

You may be eligible for a refund or credit on your monthly, yearly, or 10x visit pass with the City of Fort Saskatchewan under the following circumstances (with written confirmation):

- Medical reasons
- Employment transfer/moving out of the area

Preauthorized Payments (EFT)

Preauthorized pass payments can be cancelled with written notice. To cancel or re-establish payments, notice must be provided no later than the last day of the previous month.

Yearly Pass Holds

Yearly passes may be put on hold once per annual agreement, for a maximum of 4 months, for the following reasons:

- Medical
- Employment transfer
- Vacation

Cancellations: All pass cancellations are prorated, and any unused portion will be refunded or left as a credit on your account.

Program Fees and GST

Prices in this guide include 5% GST, where applicable. Programs primarily for participants 14 years of age or under are GST exempt.

Register ASAP (as soon as possible)!

Swimabilities® Caregiver In Water Participation Required.

SwimAbilities® is a learn-to-swim program geared for children aged 3 - 16 years with special needs, looking for an alternative to Swim for Life® lessons. No formal diagnosis is needed! The child's caregiver is in the water to provide one-on-one focus while being under the direction of a certified instructor. SwimAbilities® assists children and their caregivers to accomplish goals surrounding safety, independence, and enjoyment in and around the water. Harbour Pool now offers designated times for SwimAbilities® classes when no other Swim for Life® programs are occurring in the pool, to offer a safe and comfortable sensory experience for participants.

Stroke Improvement

Stroke Improvement is intended for participants between the ages of 8 and 14 years who have completed Swimmer 6. However, individuals who have not completed Swimmer 6 who wish to improve their strokes are welcome to enroll. Candidates should come prepared to participate in a variety of stroke drills and swim upwards of 50 - 100 metres at a time.

Swim to Survive

Over the last 20 years in Alberta, on average, fatal drownings have increased 1.1% and emergency department visits have increased 0.6% annually. Swim to Survive is a survival training program that focuses on the skills needed to survive an unexpected fall into deep water. Learn to roll into deep water, tread water for one-minute, and swim 50 metres. This course is for all ages and abilities, and families are encouraged to enroll together! The program is adaptable to include skills and water safety teachings based on the abilities of participants.

Please note, if proof of completion for the previous level is not provided you may be withdrawn from the course. Please see page 4 for more information.

Call Harbour Pool at 780-992-6162 if you are unsure of what level to register in for more information or to book a free swim placement.

Lifesaving Society Parent and Tot Programs

Parent and Tot 1

4 - 12 Months

Bring your tot here for their first introduction to swimming lessons! Tots will practice front floats, back floats, splashing, and kicking in the water, all while being assisted by an adult.

Parent and Tot 2

12 - 24 Months

Tots will become familiar with using personal floatation devices, submerging their face in the water, blowing bubbles, front floats, back floats, and shallow water movement.

Parent and Tot 3

24 - 36 Months

This is the last parented level before your tot learns to swim on their own! Tots will practice jump entries, building water confidence, floats, submersion, blowing bubbles, opening their eyes underwater, and kicking.

Lifesaving Society Preschool Programs

3 - 5 Years

Preschool 1

This is the first level that is un-parented. Standards are all assisted by the instructor or a floatation device. Swimmers will practice blowing bubbles in the water, front floats, back floats, jump entry, face in the water, and safe shallow water movement.

Preschool 2

In this level, swimmers will become familiar with personal floatation devices (PFD), flutter kick, floats while wearing a PFD, and roll over glides while wearing a PFD. The use of the PFD and not the instructor for assistance will build your swimmer's confidence in the water and prepare them for Preschool 3!

Preschool 3

This level only has two PFD assisted items in it. All other items are completed by swimmers, all by themselves! They will practice flutter kick, front floats, back floats, waist - deep submersion, roll over floats, and jump entries.

Preschool 4

In Preschool 4, swimmers will learn and practice assisted treading water, chest-deep water submersion, floats, glides, front crawl, flutter kick on back, and object recovery in chest-deep water.

Preschool 5

In this level, swimmers will learn unassisted treading water, whip kick, front crawl, back crawl, and short interval training. If the swimmer is 5 years old or older when they pass Preschool 5, they may move onto Swimmer 2.

Lifesaving Society School - Aged Programs

5 - 14 Years

Swimmer 1

This is the starting level for anyone aged 5 - 14 who has not yet taken swimming lessons. In this level, swimmers will learn basic floats, glides, rolls, flutter kicks, front crawl, and basic aquatic safety items.

Swimmer 2

This level is the next step for swimmers who have previously passed either Preschool 5 or Swimmer 1. Swimmer 2 focuses on getting comfortable in deep water as well as learning the basics of whip kick, front crawl, back crawl, and interval training.

Swimmer 3

This level will cover new skills such as disorienting entries/movements, diving, and treading water without a PFD. Swimmers will also practice front crawl, back crawl, and interval training with increased difficulty.

Swimmer 4

Front crawl and back crawl distances are now increased up to 25-metres. Swimmers will learn diving, swimming underwater, and the breaststroke arm technique.

Swimmer 5

In this level, swimmers will learn eggbeater for treading water, breaststroke, and head - up front crawl. Swimmers will continue to practice interval training, as well as short sprints.

Swimmer 6

The last swimmer level will teach swimmers strength and endurance. Swimmers will practice all swimming skills at the highest difficulty within this level. New skills include scissor kick, stride entry, sprint breaststroke and a 300-metre distance swim.

Canadian Swim Patrol Programs

5 - 14 Years

Rookie Patrol

In this program, swimmers will continue stroke development with 50-metre swims of front crawl, back crawl, and breaststroke. Lifesaving sport skills include a 25-metre obstacle swim and a 15-metre object carry. First aid focuses on assessment of conscious victims, contacting EMS and treatment for bleeding. Fitness skills will improve with 350-metre workouts and 100-metre timed sprints.

Ranger Patrol

In this program, swimmers will strengthen their strokes doing over 75-metre swims of each stroke. Lifesaving sport skills include a timed object support and rescue with a buoyant aid. First aid focuses on assessment of unconscious victims, treatment of victims in shock, and obstructed airway procedures.

Star Patrol

In this program, swimmers are challenged with 600-metre workouts, 300-metre timed swims, and a 25-metre object carry. Strokes are refined over 100-metre swims. First aid focuses on treatment of bone and joint injuries and respiratory emergencies including asthma and allergic reactions. Lifesaving skills include defense methods, victim removals, and rolling over and supporting a victim face up in shallow water.

Adult / Teen Swim Programs

14+ Years

Adult 1

This level will help get you started on developing water confidence and swimming skills. Endurance training and activities based on your swimming level will increase your confidence to perform skills unassisted.

Adult 2 / 3

Build on your endurance, swimming front and back crawl and start to explore interval training and drills to help you master your newly developed swimming skills. Breaststroke and deep-water orientation/entries are introduced.

NEW Aquatics Facility Construction

Construction on the new Aquatics Facility begins in the Spring 2026 with an expected opening in 2029.

This exciting project will enhance recreation opportunities for our community, and we want visitors to the Dow Centennial Centre to know what to expect during construction.

STAY IN THE FLOW

What to Expect During Construction in 2026

Programs & Facility Access

- The Dow Centennial Centre remains fully open to the public.
- All recreation programs and fitness services will continue as scheduled.
- Programming and performances will continue at the Shell Theatre and the Alberta Lottery Fund Art Gallery.
- Private bookings and facility rentals will continue as planned.
- If any changes arise during construction, we will communicate with visitors and booking holders as early as possible to keep everyone informed.

Construction Activity & Noise

- The bulk of the earthworks, piling, and foundation work will occur in 2026, which will cause additional noise, vibrations and vehicle activity at the site. Efforts will be made to minimize these impacts on the Dow Centennial Centre and surrounding areas.
- A fenced construction zone will be in place. Please follow all posted signage and stay clear of restricted areas.

Parking and Transit Changes

- Parking and traffic availability will shift throughout the spring and summer of 2026 due to utility tie-ins on Town Crest Road.
- Some stalls may be temporarily closed or relocated.
- Updated parking information will be posted onsite and online throughout the project.
- Transit routes and stops will be affected in the spring and summer of 2026 due to the installation of a new sanitary service. Updates will be posted to fortsasktransit.ca as needed.

Fort Heritage Precinct Tours and Events

Throughout the year, The Fort Heritage Precinct is accessible through guided tours. As you take a tour through the NWMP Fort, you will be whisked back in time to imagine yourself as a constable climbing the bastion to view the surrounding landscape. After exploring the Fort, hop forward in time to the historical village, where you can imagine yourself as a student in the 1902 Castle School, visualize life as a settler in the early 20th century, and see how the town doctor lived in the 1920s. Visit us at the Warden's House at 10006 100 Avenue or call us at 780-998-1783 to book your spot!

City Summer Camps

Welcome to the Best Summer Ever!

Our Summer Camps bring all the fun and friendship you could ask for! Enjoy your summer with us in any one or all of our Themed Week-Long or One-Day Camps. We will keep your summer active with lots of surprise visits from furry friends, face painters, bouncy castles, balloon magic, caricatures, and many others!

Please note that the dates for these surprise visits are not confirmed, so they are not noted in the descriptions and can not be guaranteed; that's why they are a surprise.

Our Summer Camps are not just great camps for kids to attend but also great camps for our summer staff to gain experience and knowledge. This is just a friendly reminder that our summer staff are young, eager to learn, and dedicated to providing you with the best service. We kindly ask for your patience and support as they grow and gain new skills. Thank you for helping us create a positive and nurturing environment for everyone!

All programs conclude on Fridays at 1:00 pm for staff training, program planning, and preparation.

How to Make Your Camp Experience Successful

- Remember to pack swim gear, bug spray, sun block, snacks, and lunches daily. Lunches required for all
- Full-Day Camps.
- To ensure your camper has the best possible time at camp, they must be **fully toilet trained; due to our staff-to-camper ratio, we are unable to provide individual potty training assistance.**
- All electronic games/devices should be left at home.
- Staff cannot administer **any** medication.
- Be prepared to have the best Summer ever!
- If you have any questions or would like to discuss your child's medical or behavioral needs, we encourage you to contact us prior to registering so we can be able to provide the best experience possible for your child.

***Please note:** If your child has an aide or support at school, we expect them to attend camps with an aide. Please contact us prior to registering to discuss the aide requirements.

We can be reached by email at cpssummer@fortsask.ca
